THE UNIVERSITY OF GEORGIA

Creating exceptional experiences for a lifetime

In January of 1785 — two years after the Revolutionary War — the Georgia legislature adopted the charter that created the University of Georgia. In founding the nation's first state university, the legislature also gave birth to the American system of public higher education. Over the past 220 years, Georgia and its university have grown together as partners in a burgeoning prosperity that has made the University a fast-track contender for educational pre-eminence. With more than 33,400 students, a work force of more than 9,000 and an annual budget of over $1.4 billion, the University of Georgia is Georgia's largest, oldest and most comprehensive educational institution. Widely recognized for excellence in instruction, research and public service, the University has moved into the ranks of America's foremost public universities.

4	The National Science Foundation ranks UGA's College of Agricultural and Environmental Sciences 4th in the nation based on total expenditures for research and development.
9	Kiplinger's magazine ranks UGA 9th on its list of best values among 100 public colleges and universities in America.
12	The College of Veterinary Medicine at UGA is ranked 12th among the nation's veterinary schools by *U.S. News & World Report.*
16	*The Wall Street Journal* included Georgia among 16 "Hot Schools" that are drawing increased attention from students and families because of cost, safety and academic quality.
18	UGA is tied for 18th in *U.S. News & World Report's* 2011 list of the 50 top public universities in America
28	*U.S. News & World Report* ranks Georgia's Terry College of Business 28th among all schools in the nation.

Mission Statement
The SEC's mission statement reflects the priorities of the league. "The purpose of the Southeastern Conference is to assist its member institutions in the maintenance of programs of intercollegiate athletics which are compatible with the highest standards of education and competitive sports."

The Standard of Excellence
The Southeastern Conference, with its storied 79-year history of athletic achievements and academic excellence, has built perhaps the greatest tradition of intercollegiate competition of any league in the country since its inception in 1933.

The 2011-12 academic year was another season to remember for the SEC as conference teams captured nine national titles and seven national runner-up finishes. The SEC has won consecutive national championships in football, gymnastics, women's tennis and men's indoor track & field. Since 1990, the SEC has won 149 national team championships for an average of more than six per year.

Alabama won the SEC's first national title of the year with its win in the BCS National Championship Game in football. It is the SEC's sixth consecutive football national title. Alabama won its second consecutive gymnastics title and fifth overall while the women's golf team won its first national championship. The Crimson Tide softball team brought home the SEC's first national title in the sport of softball. Florida won its third consecutive national title in men's indoor track & field while the Gators' women's tennis team captured its second consecutive national championship. Florida's men's and LSU's women's outdoor track teams also brought home national championships.

Overall, the SEC finished in the top two in 12 of its 20 sponsored sports and in the top five in 14 of the 20 sports. Nine SEC teams participated in football postseason bowls with Alabama and LSU meeting in the BCS National Title Game. Four men's basketball teams were invited to the NCAA Tournament with Kentucky cutting down the nets and eight women's basketball teams were also invited to the NCAA Tournament. The SEC had eight teams advance to postseason play in baseball with Arkansas, Florida and South Carolina advancing to the College World Series. With 146 teams advancing to NCAA postseason competition, the SEC continued to solidify its place as the nation's premier conference.

In addition to the nine team championships, 43 SEC student-athletes garnered individual national championships, while 444 individuals were awarded with First-Team All-America Honors. Student-athletes around the league continued to excel in the classroom as well with more than 2,500 earning recognition on the SEC Academic Honor Roll.

On the national all-sport level, nine SEC schools placed in the top 40 of the NACDA Director's Cup rankings. Florida led the league with a second-place finish. LSU placed 13th while Georgia was 18th; Arkansas finished 20th, Alabama 23rd, Auburn 28th, Kentucky 29th, Tennessee 33rd and South Carolina 36th to round out the league's top-40 finishes.

Jack Turner Stadium

The Bulldog softball team will play its 10th season in its multi-million dollar softball stadium in 2013. The facility holds close to 1,400 fans with additional standing room and features the best amenities possible. The Jack Turner Stadium, named for the late Jack Turner thanks in part to gifts from himself and his son Jimmy Turner, has been chosen to host six NCAA Regionals and three NCAA Super Regionals since its inception in 2006.

Both the Georgia and visiting team dugout are connected via tunnel to locker rooms. The Bulldogs' locker room area has all facilities located in it — an athletic training room, players' lounge, game room, locker room, showers, and the coaches' offices and locker room. On the first base side, the visiting team has its locker room and showers along with the umpires' locker room. A state-of-the-art press box was built as well. The press box has suites for radio, television, and for both Georgia and the visiting team's athletic director. The stadium is finished with an awning covering the upper section. Georgia's stadium ranks among the nation's best and will continue to be an attractive site for NCAA postseason play for years to come.

Jack Turner

Jack Turner was named to the University of Georgia Foundation Board of Trustees in 1999, where he has served as an active member of the Investment Committee. He graduated from the University of Georgia in 1953 with a Bachelor's of Business Administration in Finance and was a member of Chi Psi fraternity, the Air Force ROTC and Gridiron. As an athlete he was a letterman in both baseball and basketball.

Following graduation, he served as a pilot in the U.S. Air Force and after serving his country embarked on a professional career in the financial services industry. Jack was president and retired as chairman of the board of American Funds Distributors, a subsidiary of the American Funds Group, based in Los Angeles in 1995.

What has followed could not be characterized as a "quiet retirement." Jack has dedicated much of his retirement years to the University of Georgia. His service includes:

Director of the Georgia Student Educational Fund (the forerunner to today's William C. Hartman Fund), Executive Committee member and director of the National Alumni Association, Member of the board of the UGA Athletic Association, Chairman of the UGA Athletic Association Finance Committee, Chairman of the UGA Athletic Association Facilities Committee, Chairman of the Georgia Athletic Association Student Athletic Scholarship Endowment Fund (through which Jack has endowed several scholarships), Founding member and partner in the President's Club, Member of the Heritage Society

In addition, Jack founded the Turner Family Foundation, a private organization that supports local charities. In 1999, he was honored by the National Football Hall of Fame for his outstanding support of amateur football and in 2002 was part of the inaugural class of inductees to the UGA Athletic Association's "Circle of Distinction," honoring his service to the organization. The Terry College of Business honored him in 2002 as a "Distinguished Alumni" for his longtime service to the school.

Dr. Michael F. Adams
University President

Now in his 16th year as President of the University of Georgia, Dr. Michael F. Adams is one of America's longest serving and best known university presidents. A widely respected figure in higher education, he has been elected by his peers to lead a number of national organizations including the National Association of Independent Colleges and Universities, the Association of Public and Land-Grant Universities, the American Council on Education and the National Collegiate Athletic Association's Executive Committee.

He holds a Ph.D. from The Ohio State University and has been awarded five honorary degrees. He is a specialist in political communication and higher education administration and has written professionally in both areas. Dr. Adams has held senior positions in state and national government – as Chief of Staff to former Senator Howard Baker and as an advisor to former Tennessee Governor and current Senator Lamar Alexander.

Either personally or on behalf of the University he has received more than 50 awards in higher education, including the Knight Foundation Award for Presidential Leadership, the Pioneer Award for Leadership in Civil Rights and the James T. Rogers Award, the highest honor bestowed by the Southern Association of Colleges and Schools. He is the recipient of the Governor's Award in the Humanities from the Georgia Endowment for the Humanities. For 10 consecutive years, Georgia Trend magazine has included Dr. Adams on its list of Most Influential Georgians.

The UGA campus has been transformed since he took office, with more than $1 billion in new construction, renovation and infrastructure and 6.2 million square feet of new space completed. The East Campus Village, served by the Harris Dining Commons, added space for more than 1,200 students to help meet demand for on-campus living, and another 500-bed residence hall opened in 2010. The new home of the Lamar Dodd School of Art, also on East Campus, opened in 2008, and the expansion of the Georgia Museum of Art was completed in early 2011. The Richard B. Russell Building Special Collections Libraries, housing collections that tell the story of Georgia's history from three perspectives, was dedicated in January 2012.

Under his leadership, the University of Georgia has attained its highest rankings ever; has become the most selective in its history; and has grown from some 29,000 students to almost 35,000 students today.

Dr. Adams is a graduate of the public schools of Georgia and Tennessee, earning his diploma in 1966 as the most outstanding graduate of Chattanooga High School and earned undergraduate degree in speech and history from Lipscomb University, which named him Alumnus of the Year in 2011. He has been married to his college sweetheart, Mary Lynn Ethridge Adams, whom he met in a Lipscomb University history class, for more than 40 years. They are the parents of two sons, both of whom are married to UGA alumnae, and are very proud of their two granddaughters, Campbell and Tucker.

Greg McGarity
Director Of Athletics

Athens native and University of Georgia graduate Greg McGarity was named Director of Athletics at UGA on August 13, 2010, after serving 18 years in the athletic department at the University of Florida.

Since that time, McGarity has injected a program of imagination and innovation into the Georgia Athletic Association with emphasis on exploring new ideas and initiatives moving the organization forward in all areas of competition, academics, and service.

Among the many initiatives are implementation of a nutrition program for all sports, greater emphasis on customer service as well as community service, scoreboard upgrades enhancing the in-game experience for guests and patrons in all sports, and developing leadership programs fostering staff development. In addition, he has encouraged the experimentation of new ideas such as moving volleyball competition to Stegeman Coliseum and helping bring a concert to Sanford Stadium for the first time in stadium history.

McGarity oversees a 21-sport athletics program supported by a budget of $92 million. Since becoming Director of Athletics, Georgia teams have won SEC championships in men's tennis (2011), women's swimming (2011, 2012), men's tennis SEC Tournament, and two SEC eastern division title in football (2011 and 2012). During that time 14 different Georgia teams have been ranked in the nation's top 20.

A 1976 graduate of UGA's Grady College of Journalism and Mass Communication, McGarity is a 2012 inductee into the Grady Fellowship, a recognition program to honor those whose influence, achievements and service to the media professions have enhanced the reputation of the Grady College. He was also appointed in 2012 to the NCAA Division I Football Issues Committee, a position he will hold through 2016.

At UF, he served as Executive Associate Athletic Director after serving as both an associate and senior associate athletic director during his tenure. His duties at Florida included assisting the athletic director in daily operations of the department, assisting in preparation and approval of the annual budget and extensive involvement in long-term planning, contracts, competition scheduling and employment searches, among other areas. McGarity was involved in the planning and supervision of several construction projects, including the expansion of Ben Hill Griffin Stadium and the William Heavener Football Complex.

McGarity received his Bachelor of Arts degree in Journalism in 1976. He was a letterman on the 1973 Bulldog tennis team and following graduation began his professional career at UGA. After serving as a student assistant from 1973-77, he held positions as assistant sports information director and head women's tennis coach (1977-82), administrative assistant (1982-88), and assistant athletic director for facilities and event management (1988-92).

Citing McGarity's top-level experience in one of America's most successful athletic programs, Georgia president Dr. Michael F. Adams said McGarity understands UGA's desire to compete and succeed at the highest level of intercollegiate athletics while maintaining a primary focus on the needs and success of student-athletes.

McGarity is married to the former Sheryl Holland, who graduated from UGA in 1976 with a Bachelor of Science degree in education. They have one son, Alex, a graduate of the University of Florida and current student at UGA.

2013 Season Outlook

The 2013 Bulldogs are excited to hit the ground running

As the Georgia softball team prepares for the 2013 season an excitement surrounds the eight returning players and eight newcomers that will suit up for the Bulldogs for the season opener on Feb. 8, against Elon.

While acknowledging the quality of players that she no longer has at her disposal, including All-American and 2012 National Pro Fastpitch Rookie of the Year Kristyn Sandberg, head coach Lu Harris-Champer said that the current crop of Bulldogs has her looking forward to opening day.

"Clearly we had some great talent that graduated and it's very hard to replace them, especially when it comes to heart and soul and the level of competition," Harris-Champer said. "However, we're excited about the class that we have and the team that we have today and we're looking forward to seeing who steps up to fill those shoes. It'll be lots of competition and a lot of kids vying for those positions and getting the opportunity to get out there and compete."

Georgia has eight players returning from last year's team that advanced to the NCAA Knoxville Super Regional. Among the returners are seniors Maya Branch, Christine Olney and Tess Sito. Associate head coach Gerry Glasco said that much is expected of the returning class.

"We've got some great players coming back, girls that got a lot of experience last year," Glasco said. "Then we've got Morgan (Montemayor) with two years of experience in the circle. We think Morgan's going to be really good for us this year."

The eight returning players will be joined by eight freshmen, including 2012 Gatorade National Softball Player of the Year Geri Ann Glasco. While they are yet to be tested in a game situation, the freshmen earned praise for their hard work from the associate head coach.

"You can't really tell until they get in a game but you can tell that they work hard every day and they're really enthusiastic," Glasco said. "They obviously have talent and I feel like they're developing really well through their hard work."

Along with the Georgia team, the landscape of the Southeastern Conference has changed since the last time the Bulldogs took the field with the addition of Missouri and Texas A&M to the conference. Both teams finished last season ranked in the top-20 of both end-of-season softball polls. The Harris-Champer said she only sees these additions benefitting Georgia going forward.

"It's outstanding because they're both top-10 teams. The more great competition we get to compete against every single weekend in conference the more we're prepared for postseason" Harris-Champer said. "I couldn't imagine two greater opponents to bring in because they've both competed on the national stage and it's just awesome to have that every game in conference."

The Bulldogs begin their season with the Sixth Annual Red and Black Showcase as they welcome Elon, Ohio State and Winthrop to Athens for the three-day tournament. Georgia then plays in the 10th Annual Georgia Softball Classic, Cathedral City Classic, Fifth Annual Bulldog Invitational and Winthrop Tournament before playing Georgia Tech on March 13, and beginning SEC play two days later against Auburn.

Harris-Champer hopes that the intense competition of tournaments the Bulldogs face at the beginning of the season, will prepare them well for the SEC slate and a post-season run.

"The more we can get out of each and every day in a competitive sense is great. We're building that enthusiasm and having the team find that love of competition," she said. "Building in that type of competitive mindset is what we're trying to get to so that we'll be ready to compete in conference."

Scholarship Endowments

The Athletic Scholarship Endowment Program was instituted to allow supporters of the University of Georgia Athletic Association to invest in the educational opportunities of UGA student-athletes. The program is vital to the future of Georgia Athletics by providing the long-term solution to keeping pace with escalating expenses. A gift to establish a scholarship provides income towards funding a scholarship each year and permanently memorializes the donor or any individual in whose honor the scholarship is named. A full scholarship is endowed through a gift of $150,000.

These and other commitments represent the foundation of the Georgia Athletic Program's future. For more information on the Scholarship Endowment Program or other giving opportunities, please contact the Development Office in the UGA Athletic Association at 706-542-9220.

12th Season
Record: 807-276-1 SEC: 218-111
Record at Georgia: 598-212
Western Illinois, '89

Head coach Lu Harris-Champer has been at the helm of the Georgia program for 12 seasons and has led the Bulldogs to 11-straight NCAA Division I Championship appearances. Making the Bulldogs a national contender year-in and year-out, Harris-Champer directed Georgia to back-to-back final four showings at the Women's College World Series in 2009 and 2010.

Prior to Harris-Champer's arrival in Athens, the Georgia softball program produced just a 115-123 record with no Southeastern Conference championships or NCAA appearances. Under the direction of Harris-Champer, the Bulldog softball team has compiled a 598-212 overall record with 11-straight NCAA tournament appearances and two SEC championships, establishing Georgia as one of the elite programs in the country.

The 2012 season marked the 11th time that Harris-Champer has led a Bulldog softball squad to the NCAA postseason and the sixth time that Georgia advanced to a NCAA Super Regional. With a record of 45-17 that included a 17-11 mark in the SEC, the 2012 squad spent the majority of the season ranked among the top-15 team in the nation and earned 13 wins over teams ranked in the top-25. In its 11th appearance in the NCAA Tournament, Georgia was awarded the 10th overall national seed. The Bulldogs swept the NCAA Athens Regional field, marking the sixth time that the team has claimed a regional title and advanced to the Knoxville Super Regional. Harris-Champer coached Kristyn Sandberg to First Team All-SEC honors, while Erin Arevalo was named to the All-SEC second team and Paige Wilson earned a spot on the SEC All-Freshman team. In addition to conference honors, Sandberg and Arevalo earned All-American status, with Sandberg appearing on the second team and Arevalo earning a spot on the third team.

Harris-Champer's 2011 team posted a 51-14 overall record and advanced to the NCAA Super Regional round of play. In SEC play, the Bulldogs went 17-9 and finished third in the Eastern Division and also made a run in the SEC Tournament advancing to the championship game. Georgia spent four weeks during the 2011 season ranked No. 1 in the USA Today/National Fastpitch Coaches Association poll and one week atop the ESPN.com/USA Softball poll, which marked the first No. 1 rankings in school history. During the course of the season, Harris-Champer coached her 1,000th game and earned her 750th overall win at the collegiate level. The Bulldogs also set several school records in 2011 including 434 runs, 390 RBI, 238 walks and an on-base percentage of .418, and once again under Harris-Champer's lead, three Bulldogs were named All-Americans as Alisa Goler and Megan Wiggins were selected to the Louisville Slugger/NFCA All-America Second Team while Goler and Taylor Schlopy were named Lowe's Senior CLASS All-Americans. Additionally, Goler was a Top 25 Finalist for the USA Softball Collegiate Player of the Year Award.

In 2010, Harris-Champer's Georgia squad posted a 50-13 overall record advancing to the WCWS where they went 2-2 and reached the final four. In SEC play, the Bulldogs went 18-8 and finished second in the Eastern Division. In the final rankings of the 2010 season, the Bulldogs were ranked No. 3 in the USA Today/National Fastpitch Coaches Association (NFCA) final poll and No. 4 in the ESPN.com/USA Softball final poll. The No. 3 ranking is the program's highest-ever ranking. In the UGA record books, several records fell as the Bulldogs established new single-season school records for home runs (99), runs (422), doubles (102), RBI (380), total bases (944), walks (231), slugging percentage (.578) and on-base percentage (.413). The Bulldogs also set multiple single inning and single game records in 2010. Against Bowling Green on Feb. 19, Georgia's biggest inning school history came in the third with 13 runs on 11 hits in 17 plate appearances, all school record. For single-game records, Georgia established a new doubles record with six against Radford while tying record for home runs in a game with five against UCF and stolen bases in a game with nine vs. Minnesota. Under Harris-Champer's guidance, Goler and Schlopy earned second-team Louisville Slugger/NFCA All-America honors while Schlopy also garnered ESPN.

com All-America recognition and was named a top 25 finalist for the 2010 USA Softball Collegiate Player of the Year Award.

In 2009, Harris-Champer's Bulldogs were tabbed the Easton Sports, Inc., Team of the Year after going 47-12 and advancing to their first-ever Women's College World Series appearance, where they went 3-2 and were one of the final four teams standings. The Bulldogs were the nation's youngest team in 2009 with 90-percent underclassman but still finished the year with NCAA statistics rankings of first in fielding percentage (.981), second in slugging percentage (.574), fourth in home runs per game (1.44), sixth in scoring (6.32 runs per game) and 10th in batting average (.319). In SEC play, the Bulldogs went 18-7 to finish second in the Eastern Division and third overall, and they set a new league record for team slugging percentage and would have set a new home run record with 85 long balls had it not been for Florida's 86 home runs in 2009. Georgia also tied for the league lead in triples with 17 and its national-leading fielding percentage was the third-best in SEC history. Additionally, several team records were broken in 2009 as the Bulldogs established new single-season records for home runs, slugging percentage, on-base percentage and fielding percentage, and they tied the school record for sacrifice flies (23). In both the USA Today/National Fastpitch Coaches Association (NFCA) final poll and the ESPN.com/USA Softball final poll, the Bulldogs ranked fourth behind national champion Washington, national runner-up Florida and Alabama. The ranking of fourth is the highest-ever for Georgia passing the program's previous best of fifth during middle of the 2004 season. Goler and Schlopy were named first-team All-Americans. Goler was also a USA Softball Collegiate Player of the Year top 10 finalist, and Schlopy was chosen to the USA Softball Japan Cup Team and helped the Americans win Gold.

In 2008, the Georgia softball program finished with an overall record of 46-24, an SEC mark of 14-14 (3rd Eastern Division) and advanced to just its second-ever NCAA Super Regional to exceed expectations and display a promising future. With an 18-player roster consisting of fifty percent freshmen and 12 underclassmen, the prospect of what to expect from the onset of the season was uncertain. Regardless of what anyone's outlook was for youthful squad, it's clear that the Bulldogs went well beyond those expectations as they recorded Georgia's seventh-straight season with 46 wins and earned the program's seventh-consecutive NCAA Tournament appearance. The Bulldogs finished ranked No. 17 by USA Today/NFCA and No. 18 by ESPN.com/USA Softball. Harris-Champer recorded and surpassed 600 collegiate career coaching victories in 2008 as well as

achieving and surpassing 400 wins at Georgia in her eight seasons with the team.

The Bulldogs concluded their 2007 campaign with an appearance in the championship game of the NCAA Lincoln Regional. Georgia's 2007 season got off to a relatively fast start after compiling a 22-8 record before SEC play began. The Bulldogs then went on to post a 46-28 overall record and a 13-15 mark in conference action. Georgia won seven of its last eight SEC games propelling the team to a school-record sixth-consecutive postseason appearance. Kellie Middleton became a two-time All-American after earning Second Team honors from Easton, which marked the sixth-consecutive year in which a Bulldog earned All-America honors.

Harris-Champer and the Bulldogs captured their third Southeastern Conference Eastern Division title en route to posting its fifth consecutive season of 54 or more wins in 2006. Overall, UGA tallied a 54-15 overall record and earned a berth in the NCAA Regionals. Harris-Champer secured her 500th career win on April 2 with a victory over Ole Miss. Offensively, the Bulldogs concluded the season with the seventh-highest team batting average (.318) in the nation. Georgia also set a school record after three student-athletes (Kellie Middleton, Jessica Doucette and Megan McAllister) earned All-America distinctions in 2006.
The 2005 season proved to be a record-setting campaign for the Bulldogs as they earned their second conference championship in three years while appearing in the championship game of an NCAA Super Regional. Under the direction of Harris-Champer, Georgia posted a 26-4 record in Southeastern Conference play, tying the second-best mark in conference history. Michelle Green and Kim Wendland were named Louisville Slugger/NFCA and Easton All-Americans at the conclusion of the 2005 season. Harris-Champer tallied her second SEC Coach of the Year honor as well.

The Bulldogs concluded the 2004 season with an appearance in the championship game of a NCAA Regional. Georgia earned series wins over LSU, Tennessee, Florida and Mississippi State in conference play and earned a berth in the championship game of the SEC Tournament. The Bulldogs finished the season in the top-20 in several national statistics, including a third-place finish in team batting average (.329), six-place ranking in fielding percentage (.974) and a seventh-place finish in runs per game (5.72).

In 2003, the Bulldogs captured the school's first series wins over the LSU Tigers and the Alabama Crimson Tide and capped off the SEC regular season with a 12-4 win over Alabama, clinching the program's first SEC crown. Georgia also earned its second consecutive berth in the NCAA Regionals, capturing two wins at the tournament. At the conclusion of the 2003 season the Bulldogs led the SEC in 18 categories and were second in five more. Georgia tied two NCAA records, four SEC records and established 35 new Georgia records.

Harris-Champer took Georgia to its first-ever berth in the NCAA Softball Tournament in 2002. The 59 wins ranked as the second-best in the nation in 2002. Harris and the Bulldogs started their season with a 24-game winning streak. By the end of the regular season, Georgia had finished second in both the Southeastern Conference Eastern Division and the Conference Tournament. Nicole Barber and Kim Wendland became Georgia's first two All-Americans in softball and were also named First Team All-SEC. Barber became the NCAA record holder for consecutive steals with 73.

In 2001, Harris-Champer brought a run-and-gun style of play to Athens and helped Georgia to a 33-win season while setting several team records along the way. Harris-Champer made her first season count against Georgia's biggest rivals, sweeping Georgia Tech and Florida, and taking two of three from Tennessee.
Harris-Champer came to Athens after leading Southern Mississippi to back-to-back appearances in the Women's College World Series in 1999 and 2000.

The success Harris-Champer enjoyed in Hattiesburg and in her 11 seasons as head coach of the Bulldogs continues her excellent record as a player, collegiate coach and professional coach. Harris-Champer was named head coach at Southern Miss in January 1998, and made history the following spring. The Lady Eagles, in their first season of competition after a seven-year layoff, compiled a 52-9 record and finished the season ranked No. 8 in the nation and reached the Women's College World Series.

Harris-Champer was named 1999 South Region Coach of the Year at the conclusion of the successful World Series run. Southern Miss completed the 2000 season with a 63-13 record and number four national ranking, winning the Conference USA regular-season and tournament titles, the NCAA Regional title, and advancing to the WCWS semifinals. In addition, USM pitcher Courtney Blades won the 2000 Honda Broderick Award as the nation's top player.

In 1997, Harris-Champer served as head coach of the Orlando Wahoos of the Women's Pro Fastpitch League. She led Orlando to a 60-13 record and earned Coach of the Year honors after guiding her team to regular-season and tournament titles.
Harris-Champer was head coach at Nicholls State in 1996 and 1997, leading the school to impressive records of 46-19 and 48-23, respectively, and a pair of NCAA Regional berths. Upon being named head coach at Nicholls in August of 1995, Harris-Champer inherited a team with only seven players on its roster. With a team comprised primarily of inexperienced players and walk-ons, she led Nicholls to the Southland Conference regular-season and tournament championships as well as the finals of the NCAA Regional. Harris was tabbed 1996 Southland Conference and South Region Coach of the Year and finished third in National Coach of the Year balloting.

Prior to her stint at Nicholls, Harris-Champer spent five years as an assistant coach and recruiting coordinator at Western Illinois. During that span, the Westerwinds were 156-98, won the 1992 Gateway Conference tournament, the 1993 Mid-Continent Conference regular season and tournament crowns and the 1996 Mid-Continent Conference West Division title.

A native of San Diego, Calif., Harris-Champer played three seasons at Western Illinois after transferring from Mesa (Calif.) Community College. She is married to assistant Bulldog swim coach Jerry Champer.

Lu and Jerry have three children: Twins Jenna & Emma, born Aug. 2, 2004; and Mya, born May 23, 2006.

2012 Season Recap

The University of Georgia softball team finished with a record of 45-17, which included a 17-11 mark in Southeastern Conference play and capped off the season with its 11th-straight in the NCAA postseason appearance. During the season, the Bulldogs won 13 games against ranked teams, including six against teams ranked in the top 10. The 2012 campaign also saw seniors Kristyn Sandberg and Erin Arevalo earn NFCA All-American Honors, with Sandberg being named to the second team as a catcher and Arevalo picking up third team honors as a pitcher. The duo joined nine former Bulldogs who have earned 17 All-America honors. Sandberg and Arevalo also picked up All-SEC honors, along with freshman Paige Wilson, who was named to the SEC All-Freshman team.

Georgia opened up the regular season by winning 21 of its first 24 games, including three wins over teams ranked in the top 15 and two wins against top 10 teams. After a pair of losses midway through the season, the Bulldogs rattled off eight-straight wins, including six over SEC opponents. In the final road series of the regular season, the Bulldogs played in the longest game in school history, a 15-inning pitchers dual that saw Arevalo get the 1-0 win after throwing a complete game shutout. Georgia closed out the regular season by earning its sixth SEC series win of the season.

In SEC Tournament play, the Bulldogs picked up a 6-4 win over Kentucky to advance to the semi-final round against No. 1 and eventual National Champion Alabama. The Bulldogs came up just short of the Crimson Tide, falling 1-0.

After being selected as the No. 10 seed, Georgia hosted an NCAA Regional for the sixth time in nine seasons, hosting teams from North Carolina, Georgia Southern and Coastal Carolina. The Bulldogs made quick work of their opponents, going 3-0 to claim the program's sixth Regional title and advanced to the Super Regional Round where they traveled to Knoxville, Tenn., to take on familiar foe Tennessee. After falling 3-2 to the Lady Vols in game one, Georgia bounced back to hand the Vols a 1-0 loss to force a deciding game three. The Bulldogs led most of the game, but gave up a pair of runs in the sixth to fall by a score of 2-1.

From the hills of Georgia's northland beams thy noble brow. And the sons of Georgia rising pledge with sacred vow. 'Neath the pine trees' stately shadow spread thy riches rare. And thy sons, dear Alma Mater, will thy treasures share. And thy daughters proudly join thee, take their rightful place, side by side into the future, equal dreams embrace. Through the ages, Alma Mater, Men will look to thee, thou the fairest of the Southland, Georgia's Varsity. Alma Mater, thee we'll honor, true and loyal be, ever crowned with praise and glory, Georgia, hail to thee.

UNIVERSITY OF GEORGIA
Endowed with 40,000 acres of land in 1784 and chartered in 1785, the charter was the first granted by a state for a government controlled university. After Louisville and then Greensboro were first selected, the current site was chosen.
The first president, and author of the school's charter, Abraham Baldwin, resigned when the doors opened, and was succeeded by Josiah Meigs. The University first began to thrive under Moses Waddel, who became president in 1819. Alonzo Church was president in 1829-1859.
During the War for Southern Independence, most of the students entered the Confederate Army. The University closed its doors in 1864, and did not open again until January 1866. After the war, many Confederate veterans became students.
Famous pre-war professors were John and Joseph LeConte and Charles F. McCay, while famous students were Robert Toombs, Alexander H. Stephens, Howell Cobb, and Crawford W. Long.
Plans for a modern university were first developed by Walter B. Hill and realized under Harmon W. Caldwell. The best known of the post-war presidents (now chancellors) was David C. Barrow. The builder of the modern plant was Chancellor Steadman V. Sanford.
